**Young Leader's Team for
Impact Activities Weekend**

7th-9th October 2016

**Training and Preparation
Weekend**

**16th-18th Sept 2016
(venue TBA)**

Are you aged 16+ ?

Does your youth group usually attend the Impact Activities Weekend?

Would you like to come as a young leader?

You will have the opportunity to:

- *participate in a Christian leadership course run by the North Western Baptist Association & Northern Baptist College*
- *gain general hands on experience as you assist the highly experienced Impact Team in running the weekend*
- *choose to focus some of your time in one of the following areas: low ropes, catering, art and craft, music, performing arts, security*
- *If you successfully complete the training you will receive a certificate from Northern Baptist College and North Western Baptist Association*

Being part of the leading of a youth weekend requires some up-front leadership skills, but much of it is about having a servant heart, and ensuring the smooth running of the weekend for the other young people. You will also be able to take part in some of the activities and the worship and word sessions.

There will be no cost to you apart from your energy for the weekend.

If you want to be a young leader it is important that you are able to attend an additional weekend of training and preparation prior to the Impact Weekend. This will take place on 16th-18th September at a Baptist Church somewhere in NW (venue to be confirmed).

The weekend will include getting to know the team, planning for the weekend and some leadership training. Further details will be sent out nearer the time.

A number of our young leaders have gone on to help run other youth weekends such as Spree and serve on a Mission Team together for a church in Liverpool. Josh is now a qualified low ropes instructor.
